

line NEW BOOTS dancing NASHVILLE, TN

Talented Instructors

We can bring the party to your event. We work with friendly professional dancers who love to engage with a crowd.

Great Music

New Boots will provide speakers, an iPad with our music library, and a microphone. All we need is a power outlet.

A Video Souvenir

Making memories! We record a video of the final routine and will send a copy to share with the group.

Fun Dances

From beginner to advanced - we teach up to 5 line dance routines at a pace that feels comfortable for the whole group.

Total Customization

It's a lesson that meets your needs. We can take music requests, work with a live band, or plan a performance. Just let us know!
